

## Invitation to capacity building session

# Getting started in using WOCAT for Land Degradation Neutrality

The **WOCAT Secretariat** together with the **UNCCD Secretariat**, **Soil Leadership Academy** and **UNCCD Focal Points from different countries** cordially invite you to join us on

**Tuesday, 05 September 2017 & Wednesday, 06 September 2017**

**18:00 to 20:00**

**Training Room of Capacity Building & Knowledge Exchange Centre (in Exhibition Area)**

Striving towards achieving Land Degradation Neutrality (LDN) can be supported by adequate methods and tools. The global knowledge base of WOCAT - the World Overview of Conservation Approaches and Technologies – is used to systematically document and access practices worldwide in Sustainable Land Management (SLM).

This introductory session on WOCAT will provide an overview of the methods, tools and products of the WOCAT global knowledge base including its global SLM database, and offers a short guidance on how to get started in using WOCAT. UNCCD National Focal Points from different countries will share their experiences and how they use WOCAT in their work.

### The programme offers

- Introduction to the **LDN concepts and how they link to WOCAT**
- Overview of the **WOCAT methods, tools and products** and **how to get started**
- Insights into **WOCAT experiences of UNCCD National Focal Points** and **how WOCAT SLM Practices can be scaled up to become LDN relevant initiatives**
- **Questions & Answers**
- and **refreshments**
