Module 7: Knowledge management platform for informed decision making

Teaser text

SLM recognizes that people (human resources) and the natural resources on which they depend, either directly or indirectly, are inextricably linked. Rather than treating each in isolation, all ecosystem elements are considered together in order to obtain multiple ecological and socio-economic benefits.

Slogan used: STOP LAND DEGRADATION

Fig. 1. and 2. Promotional activities in the kindergarten, including a slogan that is used (Kapović Solomun, M. 2017)
